

## Karen James | CEO On Purpose Hub

Karen James  
Author *On Purpose* | Host Get On Purpose podcast

**Karen James is a global purpose expert  
with a no-nonsense approach to igniting ethical transformation.**

Fast-talking, funny and pulling no punches, Karen is a Jersey girl turned social entrepreneur, corporate change maker, engineer, author, podcast host, and speaker.

With an engineer's brain, an entrepreneurial mindset, 30 years of engineering and business experience, a knack for community engagement and ethical moral compass – Karen stands out in a business world often filled with suits and straight faces. From innovation to transformation to community building, Karen's sharp intellect and global career brings something for everyone.
